Two plants from which we can serve you promptly

★ **PLEASE SEND YOUR ORDER TO NEAREST OFFICE** ★

Sept. 1st 1955

This folder will be of particular interest to those of our customers who are within driving distance of either of our establishments - one at Independence, Ohio a suburb of Cleveland and the other at Saddle River, New Jersey, near Ridgewood - for at both plants there are maintained large displays of everything needed for the successful operation of aquariums. See maps on page 14.

Beautiful Stainless Steel Aquariums	Page 3
Finest Greenhouse-grown Plants	Pages 5 & 6
Extensive selection of Tropical Fish - Goldfish	Pages 7, 8, 9 & 15
Scavengers - the housekeepers for the aquarium	Page 11
Tricker's quality foods	Page 17
Remedies - tested and found good	Page 18
Aerating equipment and supplies	Pages 19, 20, 21 & 22
Heating Equipment	Page 23

The prices on aquariums and tropical fish vary from month to month therefore we have omitted them from this booklet. However, we would be very glad to send you our periodic special prices on aquariums and tropical fish upon request. However, if at all possible, visit either establishment, and select the material you wish. Our business hours are 8 A.M. to 5 P.M. weekdays, and 1 P.M. to 5 P.M. on Sunday. We are closed on legal holidays.

COME AND SEE THEM

We also stock ornamental stands for the aquariums, and lighting equipment. If you wish to have any of the above mentioned shipped to you, write for further information.

Due to the uncertain costs at the time of preparing this folder, we have decided to omit prices on our aquariums. If interested in having any shipped, write for prices. These prices will include packing and shipment. To our visiting customers we can offer very attractive prices, just as low as you can get anywhere for quality merchandise.

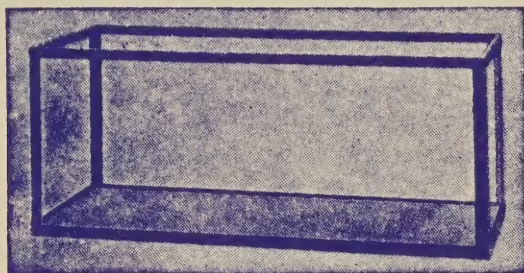

AQUARIUMS

INEXPENSIVE YET ATTRACTIVE AND STURDY

SPECIAL LOW PRICES

These low-priced aquariums we are offering are of metal frame. Finished in simulated marble enamel.

TROPICAL FISHES FROM TRICKER

As stated before the transportation of living fish is very expensive, but we must tell you, especially those who can visit us, that we have a wonderful display and selection of tropical fishes, at both plants, and at reasonable prices. For those who want them shipped we assure you careful attention to all details.

We are not printing prices as we feel that there will be a considerable change in the very near future. We can assure you that at both plants the finest quality fish will be offered at reasonable prices.

Tropical or Exotic fishes are truly a most desirable part of an indoor aquarium. Their striking beauty when placed in a well balanced aquarium is remarkable.

Tropical fish thrive best at a temperature ranging from 72° to 85°.

PLEASE NOTE. Tropical fish showing an **ASTERISK (*)** before the name are of a peaceful nature and may be kept in an aquarium with other fish. Please include \$1.50 extra with each order of Tropical fish to cover the cost of shipping container, packing material and heating pad. These containers are not returnable.

PLEASE NOTE. All fish are shipped by express, charges collect.

LIVE BEARING FISHES

Live Bearers are most interesting because they do not lay eggs but give birth to live baby fish. They can be raised in an indoor aquarium.

- ***MEXICAN SWORDTAILS.** Green body with a light red or orange stripe running from the gills to the caudal fins
- ***RED SWORDTAILS.** Similar to Mexican Swordtails except of a beautiful red color
- ***FLAMING RED SWORDTAILS.** The most colorful of the live bearing fishes, bright red, of striking beauty
- ***BLACK SWORDTAILS.** A new addition to our large list of beautiful fishes. It is a blue-black color throughout the body and the males have well developed swords
- ***GOLD SWORDTAIL.** Clear gold color with a brilliant pink stripe through the middle
- ***TUXEDO SWORDTAIL.** The lower body is deep black while the upper is bright red. A rare beauty
- ***RED WAG-SWORDTAIL.** A beautiful fish with blood red body and black fins and tails
- ***BLACK VARIATUS HELLERI.** A new type of Hybrid.....
- ***BLUE-BLACK HYBRID HELLERI.** Similar in size to Red Hybrids, except the color is blue-black with yellow eyes, and glistening blue scales
- ***BLUE MOONS.** Fine light blue color
- ***BLACK MOONS.** Jet black over most of body, yellowish-red on back and silvery scales near gills
- ***CRESCENT GOLD MOONS.** Golden body with black crescent near tail
- ***GOLD WAGTAIL PLATY.** Gold color on body and black fins and tail. An unusual and beautiful fish
- ***RED WAGTAIL PLATY.** Blood red body, black fins and tail. Strikingly beautiful
- ***PURE RED MOONS.** Both males and females are clear, blood-red in color
- ***BLEEDING HEART MOON.** A new introduction.....
- ***TUXEDO MOON.** A beautiful fish with red and black body.....
- ***PLATY VARIATUS.** Known as Rainbow Moons. Highly colored, gold or red tails
- ***SUNSET PLATY VARIATUS.** Beautifully colored fish with gold suffused with red in body and fins

- ***RAINBOW FISH OR GUPPIES.** Males have all colors of the rainbow
- ***GLORIFIED GUPPIES.** A very recent introduction. Females are yellowish-gold, and the males a brilliant gold with red markings
- ***TRINIDAD GUPPIES.** The largest of the Guppy family and one of the most beautiful, especially the males.....
- ***EXOTIC GUPPIES.** Recently developed. The most colorful of all Guppies, with long flowing brilliant fins.....
- ***VEILTAIL GUPPIES.** Newly developed. Brilliantly colored with long flowing fins
- ***LIBERTY MOLLIENTISIA.** Black and spotted, males with red fins. Very beautiful
- ***PEARL MOLLIENTISIA (Marble Mollies).** Body black and marble
- ***BLACK MOLLIENTISIA.—PERMO BLACK.** The beautiful all black Mollientisia. The young fish are born black and remain black.
Shipping size
- Large size

BUBBLE NEST BUILDERS

- ***BETTA CAMBODIA.** Gold colored body with red flowing fins.....
- ***BETTA TRICKERI.** Beautiful red, green and blue body and fins..
- ***RED BETTA.** Red colored body and red flowing fins.....
- ***BLUE BETTA.** Striking vivid blue. Extremely beautiful
- PARADISE.** Reddish-brown body with vertical stripes
- ***DWARF GOURAMI.** Gleaming colors. Very beautiful
- ***STRIPED GOURAMI.** Similar to, but larger than, the Dwarf Gourami
- ***BLUE THREE SPOT GOURAMI.** A beautiful variation of the Three Spot Gourami
- ***LEERI GOURAMI.** The newest and most beautiful Gourami. Similar in size to Three Spot Gourami with beautiful all-over pattern in blue, grey, yellow and orange
- ***KISSING GOURAMI.** Pinkish iridescent white color. A pair of these fish in aquarium will delight you with their kissing performances

CICHLIDS

- ***ANGEL FISH.** The aristocrat of the aquarium.
Shipping size
- Large size
- ***APISTOGRAMMA RAMIREZI.** A dwarf cichlid, highly colored with all the hues and shades of yellow, red and blue. Peaceful nature, can be kept with other tropical fish.....
- CICHLASOMA MEEKI.** Highly colored fish and peaceful. Can be kept in a community tank
- ***ORANGE CHROMIDE.** Gold color shaded and spotted with bright blue
- Large Breeders
- ***EGYPTIAN MOUTH BREEDERS.** Females carry their eggs in their mouth until young are hatched (12 to 15 days). Very interesting fish for an aquarium
- BLUE ACARA.** Blue body with black dots.....
- JEWEL FISH.** Brilliantly colored yellow red. Very beautiful....
- ACARA THAYERI.** Brilliantly colored and of peaceful nature
- ACARA PORTALEGRENSIS.** An unusual fish, easy to breed.....
- CONGO (Cutteri).** Cichlid, a beautiful fish with vertical stripe on side, suffused with yellow and blue

DANIOS

Popular because of active movement and flashing colors. Native to India, Ceylon and Malibar Coast.

- ***ZEBRA FISH.** Beautiful marbled stripes throughout body
- ***PEARL DANIO.** Mother-of-pearl color. Very beautiful
- ***SPOTTED DANIO.** Like Zebra Fish but with dark blue dots
- ***GIANT DANIO.** Largest of the Danios. Metallic blue body.....
- ***GOLD DANIO.** Pure gold colored body and fins. Strikingly beautiful

THE BARBS

Colorful aquarium fishes which spawn on plants.

- ***ROSY BARBS.** A sturdy fish. Males have rosy tinted body
- ***STRIPED BARB.** Blue suffused with yellow with darker markings
- ***FLYING BARB.** Can leap great distances. Light green with gold band and black spot at base of tail
- ***BLUE IRIDESCENT BARB.** Red, blue, and silver. Fins edged with black. An unusually beautiful fish.....
- ***CHERRY BARBS (BARBUS TITTEYA).** Beautiful fish with silvery red body
- ***BARBUS SUMATRANUS (Tiger Barb).** The most colorful of all the Barbs. Has dark vertical tiger-like stripes and dorsal fin is edged with brilliant scarlet color
- ***BLACK RUBY BARBS (Barbus Nigrafaciatus).** A comparatively new Barb, highly colored, bluish-black with small black spots on upper part of their body
- ***BARBUS SCHUBERTI (Gold Barbs).** Beautifully marked gold body with red fins and black horizontal stripes.....

CHARACINS

Found in Central and South America. They deposit eggs on plants.

- ***TETRA VON RIO.** Brilliant red. Colorful body and fins
- ***TETRA VON BUENOS AIRES.** Silver body flushed with yellow. Red fins and tail
- ***HEAD AND TAIL LIGHT.** Copper spot at base of spine
- ***PRISTELLA RIDLEI.** Black and white tipped fins. Orange tail...
- ***BLACK TETRA.** A very beautiful fish with large black pompadour fins, unusually sturdy and an excellent aquarium fish....
- ***NEON TETRA.** The most colorful of the tropical fishes.....
- ***GLO-LIGHT TETRA.** A beautiful fish with a glow of light through the body
- ***ROSY TETRA.** A colorful fish. Black and white marking on dorsal fin
- ***SILVER TIP TETRA.** A colorful fish with silver-tipped fins.....
- ***BLACK LINE TETRA (Hyphessobrycon Scholzei).** A beautiful fish with a black line running from gills to tail.....
- ***BLIND CAVE TETRA.** Fish without eyes, opalescent pink. Most interesting in aquarium
- ***RED MINOR (Hyphessobrycon Serpae).** A very colorful fish. Red body with black spot on dorsal fins.....
- ***RASBORA HETEROMORPHA.** One of the rare and the most beautiful of the tropical fish.....
- ***BLOOD FINS.** Brilliant red fins.....
- ***SILVER TETRA.** Glistening silver body.....
- ***WHITE CLOUD MOUNTAIN FISH.** Rival in beauty to the Neon Tetra, a real addition to your collection
- ***AUSTRALIAN RAINBOW.** Orange and red stripes on the body...
- ***PENCIL FISH.** An interesting and colorful fish shaped like a pencil
- ***CORYDORA AENEUS AND LINEATUS.** Brazilian catfish. Excellent as scavengers
- ***CORYDORA LEOPARDUS.** Leopard catfish

SPECIAL COLLECTION AT VERY SPECIAL PRICE

VERY IMPORTANT—PLEASE READ

Tropical fish are shipped in metal cans or plastic bags, placed in carton containers for protection against damage in transit.

In cold weather, especially in the winter months, the cans are packed in cartons with insulated material and a chemical heating pad placed at the bottom of the carton to keep the water in the cans at proper temperature.

Please include \$1.50 extra with each order of Tropical fish to cover the cost of shipping container, packing material and heating pad. **These containers are not returnable.**

When tropical fish are received, check the temperature of the water in can and if it is colder than 75°, bring it up gradually by stirring in warm water, a little at a time.

Place the fish in the aquarium, which previously should have been planted.

One tablespoonful of Tricker's Fungus Cure should be added for every ten gallons of water in the aquarium.

Dissolve the fungus cure first in a glass of water and then stir it in the aquarium. It will act as a tonic and prevent disease among fish.

Keep some of our remedies such as Ichthyophtherius remedy, C.D.T., Fungus Cure and Sea Salt on hand. It will help you to keep the fish in good condition.

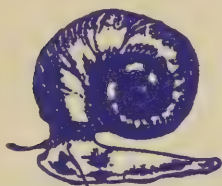

In establishing new aquarium, boil the water and let it stand for several days before placing fish in the aquarium.

SCAVENGERS

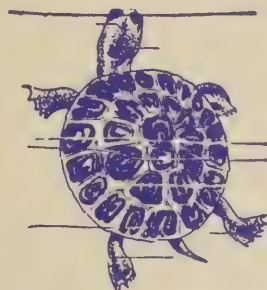

FOR AQUARIUM USE

EVERY AQUARIUM OR POOL SHOULD HAVE SCAVENGERS

SCAVENGERS are the housekeepers of the aquarium and relieve you of that responsibility. Snails devour algae, decayed matter, and eat unconsumed food. Tadpoles eat many of the imparities in an aquarium and are particularly helpful with goldfish. Clams or Mussels act as a continuous filter to keep water clear. **IN AN AQUARIUM, USE AT LEAST 3 SCAVENGERS TO A GALLON OF WATER.**

RED RAMSHORN SNAIL

GEOGRAPHIC TURTLE

**LIVEBEARING
TRAPDOOR SNAIL**

COPENHAGEN RED SNAILS

The finest aquarium snails in existence and particularly useful in aquariums. 6 for 65c; \$1.25 per dozen.

BLACK RAMSHORN SNAILS

A very useful snail for aquariums and very prolific as egglayer. Particularly useful in aquariums. 6 for 30c; 50c per dozen.

TRAPDOOR LIVE BEARING SNAILS

These large hardy snails should be in every aquarium, particularly where goldfish are kept. They devour green scum and thus help to keep the water clear. 6 for 55c; \$1.00 per dozen.

MYSTERY SNAILS

A new and unusual snail, very useful and interesting. They lay their eggs above the water on plants or glass. 6 for 55c; \$1.00 per dozen.

CLAMS OR FRESH WATER MUSSELS

The clams live by filtering the organic material out of quantities of water, thus helping to purify it. They are particularly useful in clearing green water in an aquarium or pool. 6 for 75c; \$1.40 per dozen.

GEOGRAPHIC TURTLES

Very popular with children and unusually interesting. Can be easily kept in a small aquarium or bowl with a few pebbles or aquarium grit and a few plants. 45c each, \$2.50 for six, \$4.50 per dozen.

ORNAMENTAL GOLDFISH FOR AQUARIUMS

BLACK TELESCOPE MOOR

Many of our customers who have outdoor pools also establish indoor aquariums to enjoy the beauty of aquatic plants and fish throughout the winter months. Goldfish do not require heat during the winter. We are offering a selected group of sturdy fishes of different sizes and types.

When you order goldfish, please include 65 cents extra to cover the cost of a shipping can which is not returnable.

PRICES: Six of any variety of goldfish listed here sold at the dozen rate. All fish must go by express, charges collect.

SELECTED GOLDFISHES.

garden pools and ponds.

Brilliantly colored and active. A fine strain prized for gar-

SIZE	PAIR	DOZEN
2 to 3-inch	\$0.25	\$1.35
3 to 4-inch	.40	2.00
4 to 5-inch	.75	4.00

CALICO SHUBUNKINS. (Straight Tails). The name "Shubunkin" means "Autumn Brocade." This is a fitting name, for the fishes are marked in a brocade pattern of glorious colors like autumn foliage, and even more varied. Blue is the predominating color, with mottled effects in red, gold, black, brown, lavender and white. Their active movement gives fine display of these colorings.

SIZE	PAIR	DOZEN

\$10.50

20 Beautiful fishes, a real bargain.

The aquarium illustrated above is planted with our collection A-2 of oxygenators consisting of:

Vallisneria, Sagittaria Sinensis, Anacharis, Cabomba, Hygrophila, Moneywort, Spatterdock, Cryptocoryne and Aponogeton.

This collection requires 1½ inches of aquarium grit over the bottom of the aquarium for planting. All bunched plants are to be planted in the grit.

Dear Sirs: Received the plants in very fine condition. Thanks very much.
Mrs. Ray Inscho, 38 Ferris St., Corning, New York.

Dear Sirs: This is to let you know that the Administrator of Finance has been instructed to send you a cheque to the amount of \$12.30 in settlement of your invoice dated 27/11/'51 for \$10.00 plus \$2.30 for the cablegram. The items mentioned in the above invoice reached me in good order. I take this opportunity to thank you for the excellent condition in which you executed my order for lilies and fishes.

Yours faithfully,

Department of Agriculture, Cattleraising and Fisheries.
Curacao, Netherlands, Antilles.
MC.W. Schotborgh (chief clerk)

TRICKER'S QUALITY FISH FOODS

Tricker Foods are prepared and tested by experts and contain only such ingredients as are necessary and essential to all types of fish.

VITALINE. The perfect fish food, correctly balanced. It contains all the nutrients and vitamins necessary to the growth and sustenance of either tropical or goldfishes. Tricker's Vitaline will bring out the color in fishes and promote healthy, robust bodies. 1 Tin, 25c; ½ Pint, 50c; 1 Pint, 85c; 1 Quart, \$1.50.

AXELROD'S FORMULA TROPICAL FISH FOOD. A new introduction in tropical fish food—containing aureomycin, Vitamin B-12 and Hormones. Minimum net weight, 1 oz., 50c

DRIED SUN-CURED SHRIMP.

An excellent concentrated food consisting of the meat of sea shrimp. Can be fed to both tropical and goldfish. 1 Tin, 25c; ½ Pint, 40c; 1 Pint Carton, 60c; 1 Quart Carton, \$1.15.

DRIED DAPHNIA. Carcasses of the tiny crustaceans of fresh water fleas that are the natural sustenance of baby fishes. Essential to all fishes. 1 Tin, 25c; ½ Pint, 50c; 1 Pint, 90c; 1 Quart, \$1.60.

IN-NUR-CO. A natural food for goldfish, both for an indoor aquarium and outdoor pool. A completely balanced ration of cereals, meats, eggs, and other valuable nutriment. ¼ Lb., 30c; ½ Lb. Carton, 60c; 1 Lb. Carton, \$1.15.

TURTLE FOOD. An excellent food for your turtles. ½ oz. Net Weight, 15c.

INFUSORIA TABLETS. With these tablets Infusoria may be produced directly in the aquarium. Drop Infusoria tablets directly in the aquarium, one for every gallon of water. Tablets per box of 2530c

ENCHYTRAE WORMS. This is the only live food available all year around. Small, thread-like worms that are the only practical living food for tropical fish. The worms are easily raised in a mixture of leaf-mold and light soil by feeding with bread moistened in milk, or cooked oatmeal. Single Portions, \$1.00; Double Portions, \$1.50.

BRINE SHRIMP EGGS

The most desirable live food. Easily prepared. Directions for hatching the eggs are given on the container.

½ oz. of eggs (by volume)50c
1 oz. of eggs (by volume)90c

TRICKER TESTED REMEDIES

WE HAVE made a special study of the maladies of aquarium fishes and will always be glad to give you the benefit of our experience. It will be of great help to you to have some of our remedies on hand at all times.

AQUARIUM CONTROL AND TESTING KIT. This is a complete testing outfit, with neutralizing reagents and indicator for acid or alkali, whichever your aquarium water will show. Also complete directions and pH charts covering a range from 6.0 to 7.6. Complete Testing Kit.....\$2.00

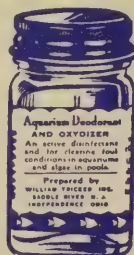

TURK'S ISLAND SEA SALT. A tonic beneficial for all minor ills. Add to your aquarium weekly, one tablespoonful for every five gallons of water. In an outdoor pool add one handful for every 50 gallons of water. This will act as a stimulant to fish and growth of plants. 3 Oz. Box, 20c; ½ Pint Box, 30c; 1 Pint Box, 45c; 1 Quart Box, 65c.

TRICKER'S FUNGUS CURE. An antiseptic tonic and healing preparation, particularly beneficial to fish when fins are frayed or the scales coated with white scum or fungus growth. Treat fish directly in the aquarium or pool, using one tablespoonful for every five gallons of water or one handful for every 50 gallons of water twice a week or as needed. 3 Oz. Box, 20c; ½ Pint, 30c; 1 Pint, 45c; 1 Quart.....65c

TRICKER'S DEODORANT AND OXIDIZER FOR POOLS AND AQUARIUMS

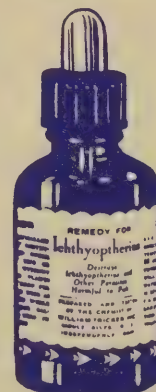

This preparation will free your pool or aquarium of **Algae, Green or Foul Water**. It also proves an effective remedy for **Fungus, Anchor Worms and Fish Lice**. Sometimes it is necessary to treat the water three or four times at 3-day intervals. Tricker's Deodorant and Oxidizer is also used for sterilizing pools and aquariums, by using a strong solution when cleaning. 1 oz., 35c.

C. D. T. COMPOUND. An excellent fish remedy, water neutralizer and water purifier for aquariums and pools. Five drops per gallon of water will cure fish infested with **Fluke, Fin Rot, Mouth Diseases, and kills Fish Lice** without injuring the fish. Have a bottle of this remedy on hand at all times. 1 oz. dropper outfit for aquariums, 40c; 3 oz. bottle for pools, 85c

ICHTHYOPHTHERIUS REMEDY. Two drops per gallon will destroy the "Ich" parasites in five days without injuring the plants or fish. Advisable to increase and maintain a uniform temperature of 75 to 80 degrees for tropical fish. 40c per bottle in special dropper outfit.

PURO. Water purifier. Contains chemicals which neutralize excess acid or alkali in the water, purifying it and destroying germs. The pink counteracts Ichthyophthirius; the blue kills Pathogenic germs.15c each; 2 for 25c

ANTI-CHLORINE TABLETS

Use Tricker's anti-chlorine tablets to remove chlorine in your aquarium water.

Use one tablet per gallon of water.
Packed 20 tablets per bottle25c
